

Lively Dragon Membership Renewal

Membership is not membership in Lively Dragon Club but recognition of you as a member of a participating team in one of our events unless you actually are a member of Lively Dragon.

There is no cost associated with this as the team you participated with in 2011 registered and paid the race fees.

If you chose not to renew, your information will be removed from the system in 14 days. If you chose later to participate in a future Lively Dragon Festival you will simply need to re input your information.

When you sign back in using the Login field on the lower left side you will see the message pop up on the lower right side **"Membership is expired"** Click on this link "Membership is expired" and this will bring you to the next screen in the renewal process.
